

## WIPECO NITRILE 6 MIL BLACK DISPOSABLE GLOVE

### Product Description

Nitrile disposable gloves are our most popular style because they offer great chemical resistance, three times the puncture resistance of latex or vinyl, and have great comfort and fit. They are popular in many industries, especially in automotive and janitorial. Regardless of the type of disposable glove that you choose, differences in glove thickness, cuff length, texturing, and colour will also effect personal protection, ease of use and facility compliance. With our wide variety of disposable gloves available, we make it easy to find the right glove for the job.

### Features

- Excellent oil and grease resistance
- Great cut and puncture resistance
- Black color hides dirt
- Lightly textured for better grip
- Ambidextrous

SKU: DN106-(size)

### Disposable Gloves

### Product Details
